MT.VERNON, INDIANA 47620

Susanna Wesley Nursery School is a ministry of the **First United Methodist Church**. We provide a safe Christian environment and offer classes for children ages 2-5 and a Mother's Day Out program to children who are at least 18 months old and walking.

Pre-K classes are available for children who will enter Kindergarten in the following year. Children need to be 4 years old by August 1st. There are 3 and 5 day classes to choose from.

Three & four year old classes consist of children who have an additional year before kindergarten. They must turn three by August 1. They meet twice a week.

The Playgroup is for two & three year olds. To be eligible you must be two by August 1st and it meets once a week.

Mother's Day Out is a chance for your child to have a playtime with other children one morning a week. You may stay the whole morning or come for an hour. This program is first come first served.

A child's experiences are the heart of learning. Susanna Wesley offers these experiences through an excellent education that allows children to develop creativity, thought and expression, music and movement, investigation and play. Field trips, science experiments and cooking as well as social studies, literacy and math fun are incorporated into each week's lessons. Our whole program will prepare our children for future learning. We use the Indiana State Standards for Kindergarten in our curriculum planning.

SUSANNA WESLEY MISSION STATEMENT: Hands on involvement and positive interaction with others provide a foundation for future learning. Our objectives are to grow emotionally, intellectually, socially, physically and spiritually.

Susanna Wesley Nursery School does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, and scholarship programs.
