

FRATERNAL ORDER OF EAGLES

**109 W. Water Street
Mt. Vernon, IN 47620

For more than a century, the Fraternal Order of Eagles has had a major influence on our region, nation, world..... **And most importantly on our communities.**

It was the Eagles who pushed for the founding of Mother's Day, who provided the impetus for Social Security and, who pushed to end job discrimination based on age. The Eagles have provided support for medical centers across the country to build and provide

research for medical conditions—we raise millions of dollars every year to combat heart disease and cancer, help handicapped kids, uplift the aged and make life brighter for everyone.

The Eagles are hometown builders. We support our police, firefighters, and others who protect and serve. We fund medical research in areas such as spinal cord injuries, kidney disease, diabetes and Alzheimer's. We raise money for our communities.....**we are the Eagles and we are "People Helping People"**. Locally, our organization also supports River Days, Relay For Life, Mt. Vernon softball leagues, Posey County Pound Puppies, Mt. Vernon Police Department for Christmas Shopping with the kids and Halloween for the kids and other organizations to help the community.

The Fraternal Order of Eagles uphold and nourish the values of home, family and community that are so Necessary and it seems so often get ignored and trampled in today's society.
