

CONSOLIDATED GRAIN & BARGE CO.

Consolidated Grain and Barge Company's (CGB) grain handling facility in Mount Vernon, IN is dedicated to all of its customers' needs. CGB grain is located inside the Ports of Indiana Mount Vernon facility where they have the capabilities to load grain out via truck, rail, and barge.

CGB and its personnel are committed to the safety of its employees, customers, and the residents of Mount Vernon. They have an extensive safety program that makes it a great place to work as well as a great neighbor in the city. The staff is dedicated to ensuring that each of their employees work safely not only for themselves but also to preserve the integrity of the environment around it.

CGB Mount Vernon employs a full staff of grain merchandisers to provide daily marketing information to local farmers and superior customer service. They are committed to providing the highest quality of customer service to each entity they are involved with.

CGB is proud to be a part of the Mount Vernon community, and strives to continue to make it a better place for all of its residents.
