

Warehouse Services Inc. (WSI) has been part of the Mt. Vernon community since 1986.

We are a privately held, Women-owned (WBENC certified) business that focuses on our customer's needs while building a work environment of employee pride and commitment.

Our firm supports clients in 19 states and Canada. We provide a variety of logistics support in the fields of Distribution, Transportation, Technology, Asset Management, Manufacturing, Value-added Services and Consulting.

We manage over 110 operations, in 19 states and two Canadian provinces encompassing more than 15 million square feet throughout North America. We retain a seasoned staff of logistics professionals with a management team that averages 18 years of service.

With approximately 2,000 personnel to manage and support our clients, WSI employs Lean, 5S, and Six Sigma Methodologies and works diligently to improve our clients' supply chain while reducing cost and exceeding quality expectations.

Please give us a call and let us demonstrate our desire to provide your business with cost effective supply chain solutions that ensures your business a competitive edge. www.wsionline.com
