

PAVING PROJECTS IN MOUNT VERNON

Paving on Fourth Street is scheduled to take place on October 10th and 11th, with crew laying a tack coat.

Mowing and blowing grass in the road is a violation of City Ordinance, and also can cause pavement failure if it is on the street during paving. Please be mindful of this especially those days next week. This is true of all paving that is done in the city.

Keeping our streets in good shape is an expensive undertaking. Please help us insure that our efforts lasts as long as possible.

Thank you,

Mayor Bill Curtis
