- Detour will continue on MILL ST. to LOWER NEW HARMONY RD.
- From LOWER NEW HARMONY RD. traffic will be routed to make a RIGHT TURN (EAST) onto GRANT ST.

LOCAL TRAFFIC IS ENCOURAGED TO USE WALNUT ST. and/or COLLEGE AVE. FOR THIS DETOUR

INFORMATION FOR THIS DETOUR WILL ALSO BE POSTED ALONG THE WILLIAM KECK BY-PASS

I know this will cause an inconvenience. Many options were reviewed and the detour listed was determined to be the best route. We ask for your patience and courtesy, especially at 4th St as truck traffic will be making the wide turn onto Mill St. I strongly urge Local Traffic to avoid Mill St if possible. Thank You for your Patience and Understanding. MAYOR BILL CURTIS
